Objective

Passionate Web Developer skilled in JavaScript, Next.js, and MERN stack, eager to build scalable and user-friendly web applications. Seeking an opportunity to apply my technical expertise and problem-solving skills in a dynamic team.

Technical Skills

- Frontend: HTML, CSS, JavaScript, React.js, Next.js, Bootstrap, Tailwind CSS
- Backend: Node.js, Express.js
- Database: MongoDB, SQL, Firebase
- Tools & Platforms: Git, Postman, VS Code.
- Other: REST APIs, Agile Development

Experience

- **Atorix IT Solutions Pvt. Ltd.**   Jan/2025 - Present
  Web Developer Intern
  - Optimized UI with Next.js, Bootstrap, and JavaScript for a MERN stack project.
  - Integrated backend APIs with MongoDB & Express.js, improving data flow.
  - Debugged & deployed features in an Agile team, enhancing user experience.

- **Ennova Tech**   Feb/2024 - Aug/2024
  Web Development Intern
  - Designed and developed interactive web pages using HTML, CSS, and JavaScript, improving user experience.
  - Integrated responsive design principles, ensuring mobile-friendly UI for improved accessibility.
  - Worked in an Agile team, contributing to front-end enhancements and assisting with bug fixes.

Projects

- **Opex Home Solutions**
  - Developed a MERN stack web app for home design solutions using React.js, Node.js, and MongoDB, AWS.
  - Optimized UI performance, integrated authentication, and enabled real-time database updates.

- **Portfolio Hub**
  - Built a responsive portfolio builder with real-time project management using Next.js, Tailwind CSS, and Node.js.
  - Integrated secure user authentication and customizable UI for seamless portfolio creation and sharing.

- **THE CAKE HEAVEN**
  - Designed and deployed a cake ecom website with tech stack using Next.js, Tailwind, Cloudinary and Mongodb.
  - Improved accessibility and boosting user engagement and mobile usability.

Education

- **G H Raisoni University, Amravati**   2025
  Computer Science
  CGPA 8.3

- **Latthe Education Society Polytechnic, Kupwad**   2022
  Electrical Engineering
  First Class Dist.
